

CLEAN AIR TECHNOLOGY, INC.

41105 Capital • Canton, MI 48187 • USA • Tel (734) 459-6320 • Fax (734) 459-9437

Dear Mr. _____,

We will be listing **Used Cleanrooms For Sale** on our Website. Please fill out and return the information below if you wish to list any cleanroom that may be available for sale. We will assist you in putting you in contact with anyone interested in purchasing your cleanroom. The sale of the used cleanroom would be a direct sale between you (the owner) and the new buyer. Clean Air Technology Inc. would provide estimates to the prospective owner to disassemble the cleanroom, packaged it for shipment and reassemble it at the new location. We would also work with the prospective buyer to reconfigure the cleanroom, if necessary, to help encourage a sale. Payment arrangements and terms for the purchase would be between the seller and the buyer.

We hope we can help work with you to resell available cleanrooms.

Sincerely yours,

Frank X. Austin, President
Clean Air Technology, Inc.
Canton, Michigan
